Re: Tonolli Incorporated Site, Nesquehoning, Pa.

Dear Mr. Thomas:

Pursuant to our letter of July 20, 1988 and our conversation of July 22nd, we have received no communications regarding our request for info on the proposed Tonolli clean-up.

Based on your original figures assessing our responsibility at roughly .25% of the total, the three (3) trailers of lead cable we shipped compute to a total of twelve hundred (1200) truckloads received by Tonolli over the entire time period they were in business. We do not believe that this is the case.

Please advise.

Very truly yours,

M. KIMERLING & SONS, INC.

PS John Schneider has written us to refer all communication to your office.
